INVENTIVE HARVEST

WORKPLACE POLICIES & OPERATING MANUAL

Standard Operating Procedures • Dub Dub | Kipasa | Trade Center | Head Office • Version 2026.1

MANDATORY COMPLIANCE: This manual governs all operational procedures, till standards, cashflow controls, inventory logistics, and staff conduct across Inventive Harvest retail branches. Every staff member must understand, observe, and adhere strictly to these rules as a condition of employment.

1. PROFESSIONAL ETHICS & CODE OF CONDUCT

Customer Excellence: Customers must be received with warmth, courtesy, and prompt attention. Rude, dismissive, or argumentative behaviour is strictly prohibited.

Uniform & Presentation: Staff must wear company uniforms cleanly pressed with visible nametags throughout their shift.

Anti-Bribery & Integrity: Soliciting or accepting kickbacks, personal discounts, gifts, or secret commissions from suppliers or customers is strictly forbidden.

No Moonlighting / Private Sales: Employees may not sell private merchandise in the shop or divert company customers to personal accounts or competitors.

Zero Tolerance Harassment: Sexual harassment, tribal discrimination, verbal abuse, bullying, or intimidation will result in immediate summary dismissal.

2. SHOP OPERATIONS & POINT-OF-SALE (POS) STANDARD OPERATING PROCEDURES

Opening Routine: Morning staff must arrive 15 minutes before opening, inspect physical locks/grilles, perform joint float counts, and test POS hardware.

THE GOLDEN RULE: NO UNRECORDED SALES: Every item leaving the shop MUST be entered into the POS system before merchandise is handed to the customer.

Mandatory Official Receipts: Cashiers must hand an official printed POS receipt to every customer. Discarding receipts or failing to issue them is an offense.

Digital & Mobile Payments: For payments made via Mobile Money (EcoCash, Airtel Money) or Bank Card, staff must verify receipt confirmation on the official terminal before releasing goods.

Offline / System Downtime SOP: If power or POS fails, log every transaction line-by-line in the pre-numbered Manual Sales Register. Inward manual records into the POS immediately once system is restored.

Closing Routine: Run the end-of-day Z-report, conduct physical cash counts, reconcile cash against expected totals, document variances, and secure all locks.

3. STRICT CASH MANAGEMENT & FINANCIAL BUCKET CONTROLS

Inventive Harvest strictly segregates business capital into five (5) distinct, non-commingled financial buckets to prevent cash drift and unaccountable expenditure:

Bucket Name	Authorized Purpose	Mandatory Control Mechanism
1. Shop Till (Sales)	Daily customer sales takings and verified change float.	Must match daily POS Z-Report exactly. Zero direct expense payouts permitted.
2. Operations Fund	Approved operational expenses (procurement, utilities, transport).	Requires pre-numbered payment voucher with attached original VAT/cash receipt.
3. Rent Reserve	Ring-fenced monthly funds for shop rental obligations.	Strictly ring-fenced; cannot be borrowed or spent on stock or casual expenses.
4. Savings / Black Box	Protected contingency reserve for capital security and shocks.	Withdrawals restricted to written Managing Director / Owner authorization.
5. Petty Cash	Fixed imprest float for urgent emergency store supplies.	Imprest reconciliation: every single payout must be supported by a signed receipt.

CASH OUTFLOW APPROVAL LIMITS & ABSOLUTE BAN ON IOUs

Payment Vouchers: Every cash outflow from Petty Cash or Operations funds requires a signed voucher detailing date, expense category, payee, approving supervisor, and attached receipt.

Approval Limits: Up to $20 requires Branch Supervisor approval; $21 to $100 requires Managing Director approval; expenses over $100 require pre-documentation and executive authorization.

ABSOLUTE BAN ON IOUs & BORROWING: Borrowing from the till or placing personal notes/IOUs in the cash drawer is strictly treated as criminal theft resulting in summary dismissal.

Cash Overages & Shortages: Cash surpluses belong to the company and must be credited in the daily closing report. Cash shortages resulting from negligence must be made good by the responsible cashier.

4. INVENTORY LOGISTICS & INTER-BRANCH TRANSFERS

Stock Inwarding: Verify all deliveries against invoices before shelving. Inward goods immediately into the POS to avoid negative stock.

Inter-Branch Transfers: No stock may move between Dub Dub, Kipasa, and Trade Center without an authorized Stock Transfer Voucher (STV) signed by both dispatching and receiving staff.

Stock Audits: Full participation in weekly cycle counts, monthly wall-to-wall stocktakes, and unannounced spot checks.

Damaged Goods: Unsaleable items must be recorded in the Damaged Goods Register. Staff may not consume or discard damaged items without executive approval.

5. WORKING HOURS, ATTENDANCE & LEAVE

Rostered Shifts: Rosters are published 3 days in advance. Informal shift swapping without supervisor approval is prohibited.

Punctuality: Staff must be on the floor ready to trade at start time. Three unexcused late arrivals per month trigger formal disciplinary action.

Absence Notification: Unplanned illness must be reported at least 2 hours before shift. Medical certificates required for absences exceeding 1 day.

Annual Leave: Accrues at 2 days per month; must be requested 14 days in advance and is subject to operational peak requirements.

6. SECURITY, IT & ASSET PROTECTION

Key Security: Keys remain with authorized keyholders; duplication or leaving keys unattended is strictly forbidden.

CCTV Monitoring: Premises and till counters are under video surveillance. Tampering with cameras constitutes gross misconduct.

Right of Search: Management reserves the right to conduct reasonable physical searches of bags, lockers, and parcels upon exit/entry.

POS Passwords & Phones: Never share POS login credentials. Personal smartphones must be stored away during working hours; no personal browsing behind the till.

7. DISCIPLINARY OFFENSES & CORRECTIVE SANCTIONS MATRIX

Category	Offense Examples	1st Offense	2nd Offense	3rd Offense
Minor	Late arrival (<15m), eating at counter, unkempt uniform, personal phone at till.	Verbal Warning	Written Warning	Final Warning
Serious	Till shortage, failing to issue receipt, unauthorized absence (1-2 days), insubordination.	Written Warning	Final Warning	Hearing / Dismissal
Gross Misconduct	Theft, unrecorded sales, till manipulation, IOUs, drunkenness on duty, violence, desertion.	**Dismissal (upon fair hearing)**	—	—

8. EMPLOYEE POLICY COMPLIANCE UNDERTAKING

I hereby declare that I have received, read, and understood the Inventive Harvest Workplace Policies & Operating Manual. I agree to comply strictly with all cash handling, POS controls, inventory rules, and disciplinary standards outlined herein.
